

HOW TO LINK TO INSTITUTION AND LOAD PASS VIA THE WAVE APP

Step 1: Select 'Register' from the Home Screen

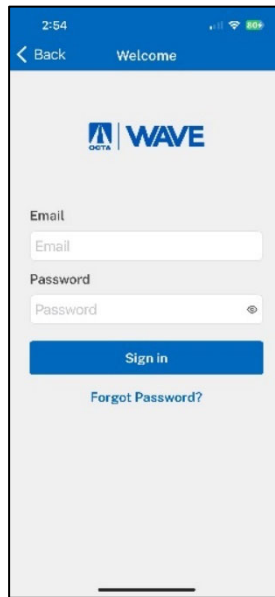

Step 2: Fill in Registration Fields and Continue. Note: Very important to use the same email as that used by your employer/university or the linking process in Step 10 will not work

Step 3: After completing registration, you will get a confirmation email to 'Activate' your account

Step 4: Go back to the app and 'Sign In'

< Back Create a virtual card

Create a virtual card

To create a virtual card, select a name for your card below and we will create your personalized virtual Wave card.

WAVE VIRTUAL

Kelly's Virtual Card

Nickname

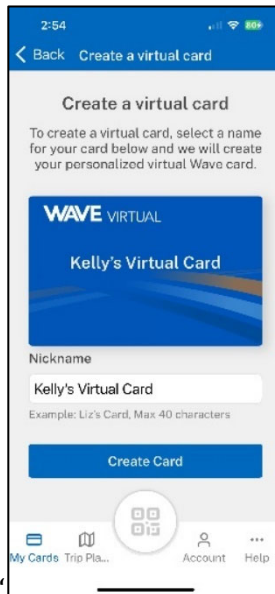

Kelly's Virtual Card

Example: Liz's Card, Max 40 characters

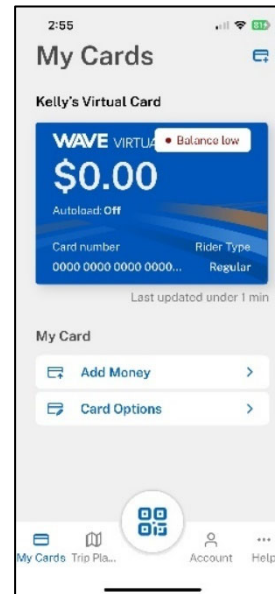

Create Card

My Cards Trip Pla... Account Help

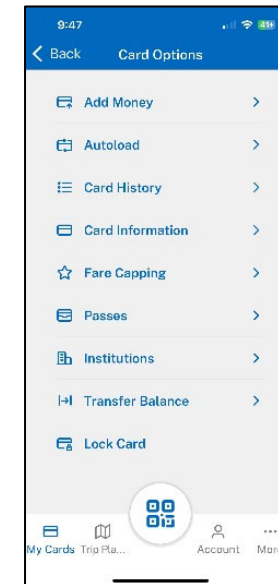

Step 7: Name your card if you'd like and then 'Create Card'

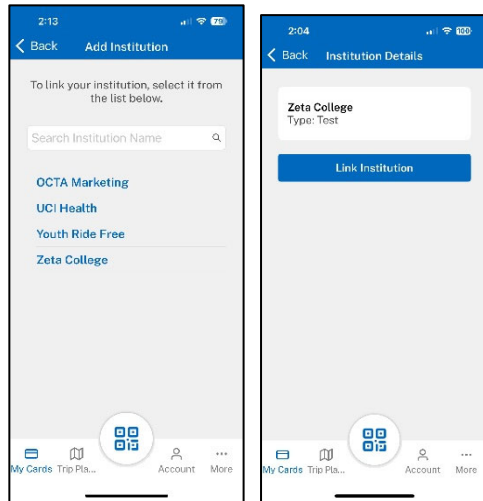

Step 8: Choose 'Card Options'

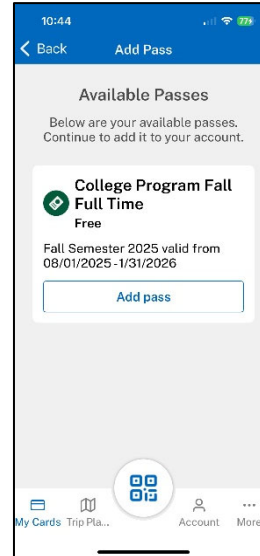

Step 9: Select 'Institutions'

Step 10: Find your employer in the list and select it, then **'Link Institution'**

Step 11: Go back to 'Card Options' and select **'Passes'**. The pass available through your employer will be displayed. Select **'Order Now'**

Step 12: A success message will flash briefly on the screen and the pass will be loaded to your account
